Certificate
OF ACHIEVEMENT

TestProvider **UCC**
ICT INDUSTRY

We help professionals assess their IT skills

This document acknowledges that:

Maksym Fiefielov

Score: **1000** / 1000

Has successfully passed the test:

STL template library

ICT · COUNCIL ON COMPETITIVENESS

Dmytro Okhrimenko
Chief Executive Officer, TestProvider

Igor Lisitsky
Head of UCC

Date: **19.04.2022** Registration number: **TP39760209**

Training program consists of the following courses:

C ++ Standard Library. Concept of algorithm complexity	100%	STL algorithms. Part 1	100%
C ++ Standard Library. Data Structures	100%	STL algorithms. Part 2	100%
Binary trees	100%	Practical use of STL power	100%
STL overview	100%		
Working with STL containers - basic operations	100%		
Linear STL containers	100%		
Working with STL containers - associative containers	100%		
Working with STL containers - basic operations	100%		
STL iterators	100%		

Score:**1000** / 1000
